

“The environment is starting to send back invoices”

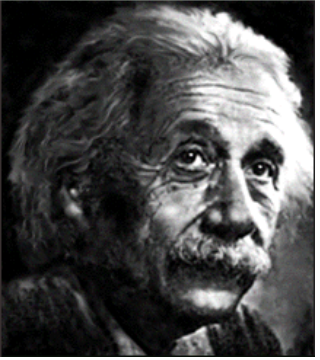

Press release
PM Theresa May: we will end UK contribution to climate change by 2050

Legislation laid today puts the UK on the path to become the first major economy to set net zero emissions target in law.

Our businesses operates in a wider context. We must understand it.

"We cannot solve our problems with the same thinking we used when we created them."

Any organisation that isn't **future literate** becomes **a weapon in defence of the status quo**

"Automation applied to an inefficient operation will magnify the inefficiency."

Innovation is the culture of asking the right questions

"Increasingly, there are only two kinds of companies: brave and dead."
